

LOW CARBON TOKYO
OLYMPICS:
HOW CAN WE MAKE IT WORK?

CLIMATE YOUTH JAPAN

WE NEED **YOUR** IDEAS!

Need to narrow down the focus areas.

Symbolic power of Olympics

PROGRAM

- Why & Background inf. (15 - 20 min)

TOGETHER

- What are the SOURCES of Carbon in Olympics (10 min)
- 3 biggest sources (5 min)

IN GROUPS

- Go deeper (10 min)
- Brainstorm solutions (15 min)
- Feedback (20 min)

- Wrap-up (5 min)

EX OF 2012 LONDON OLYMPICS

- Sustainable food strategy
- No waste sent to landfill (circular economy)
- Bio-fuel for the flame

IDEAS WE HAVE NOW (@MAKE IT REAL TOKYO)

- Vibration energy generation
- Make energy where you consume it

What are the major sources of carbon in Olympics?

10 MIN

Let's chooses **3 main** sources!

5 MIN

Please divide into 3 groups according to your interest.

5 MIN

Dig deeper why this is a challenge.
Ask **WHY? WHY? WHY?**

10 MIN

Time to BRAINSTORM the solutions.

15 MIN

Team A

100 ideas in 8 minutes

Choose the best 1-3 in 7 minutes

Team B

Each person puts 1 idea on a paper 2 min
pass it around and add to the idea of others 5 min
Choose the best 1-3 in 7 minutes

Team C

Think What if...? (ex. You were Harry Potter) 8 min

Choose the best 1-3 in 7 minutes

Feedback

1 Devil (Criticize), 1 Angel (Praise), 1 spectator
(imagine you visit this Olympics)

(2 min presentation, 5 minutes feedback) X3

20 MIN
