

UNFCCC COP24 Japan Pavilion  
**Towards Enhanced Transparency Framework**  
**Under the Paris Agreement:**  
**Lessons Learnt from JICA's Support**  
**for National GHG Inventory**

Date & Time: 10:30-12:00, Saturday, December 8  
Venue: Japan Pavilion

JICA has conducted continuous supports for enhancing capacities to develop national GHG inventory in Indonesia, Vietnam, Mongolia and Papua New Guinea. All Parties shall submit national GHG inventory report regularly under Article 13 of the Paris Agreement which requires establishment of an enhanced transparency framework. This session aims to share lessons learnt which might be useful for some of non-Annex I countries, by sharing and discussing experiences and findings from JICA's past and on-going activities for improving national GHG inventory.
