

Multi-Stakeholder Dialogue for Southeast Asian Cities on the Rise (3) - Partnership to increase cities' readiness for full implementation of the Paris Agreement and achievement of the Sustainable Development Goals (SDGs)

14 December 2018

10:30 - 12:00

Japan Pavilion

In mega cities in Southeast Asian countries, accelerated efforts to enhance various partnerships for low carbon and resilient cities, and preparation for a full implementation of the Paris Agreement and achieving the SDGs are remarkable trend. The Side Event invites participants to discuss how cities can effectively contribute to implementation of national-level plans, such as NDC and NAP. And further, the Side Event will explore effective approaches to develop sustainable urban development with strategic perspectives, while achieving such policy goals.
